EYE HEALTH

Screening Initiative

Are you or another family member living with diabetes, pre-diabetes or do you have a family history of diabetes?

If you answered yes, please contact your community provider to learn more. Schedule a FREE diabetic retinopathy screen today!

What is Diabetic Retinopathy?

Diabetic retinopathy occurs when elevated sugar (glucose) levels in your blood cause blood vessels in the eye to swell and leak fluid into the retina.

How does EYE TIPS screening work?

Come to a screening day or book your 15-minute appointment. During the screening:

1. a few questions will be asked
2. images of your eyes will be taken
3. results will be received in 60 seconds!
