

# Foot Care Program Specialty Shoes

## WINTER LINE • NEW 2023 RELEASE

Service providers and clients, IDHC is pleased to announce a new edition to its Winter specialty footwear line.

After working with foot care professionals and pedorthists, IDHC presents a super selection, including a mild sub-temperature boot and severe sub-temperature boot.

### Winter Only (November-February)

#### Mild Sub-Temperatures

Women	Delaney	7" H	Lace and inner zipper	Black
Women	Harlow	4" H	Low profile, for those requiring ankle height	
Men	Cliff Walker North			Black

#### Severe Sub-Temperatures

Women	Lumi	8" H	Tall lace (limited to 2E width)	Black or Grey
Men	Blizzard		Tall Mid Zip	Black-Brown, Two-Tone

### Now available to Eligible Clients of the Program and any potential Foot Care Program Partners!

The Foot Care Program (FCP) offers specialty shoes for Indigenous individuals living with diabetes, have wide feet, require financial support and are registered as IDHC foot care program clients.

Clients may be eligible to receive one pair of specialty footwear per year and one pair of winter footwear (every three years from the date of last pair received).

**For more information,** contact your foot care provider or Lindsey Cosh at [fcc@idhc.life](mailto:fcc@idhc.life).
