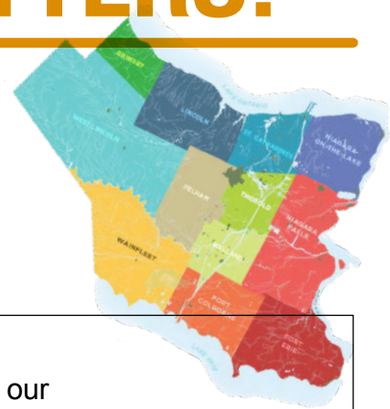
Foot Care Needs For Indigenous Communities

TELL US YOUR STORY ★ HELP SHAPE THE FUTURE OF FOOT CARE SERVICES ★ YOUR VOICE MATTERS!



Introduction: Join us in this community-driven initiative to assess the foot care needs of Indigenous communities in the Niagara Region. Your participation will help us understand your experiences, preferences, and challenges or barriers in accessing foot care services. Your participation is crucial in shaping future services to better meet the needs of our Indigenous communities. This Needs Assessment is open to All members of the Indigenous community in the Niagara Region.

Why Participate? By participating in this needs assessment, you will:

- have your voice heard in shaping the future of healthcare services for our community.
- have a direct impact on improving foot care services for Indigenous communities.
- help identify gaps in foot care services and suggest improvements.
- directly contribute to developing culturally appropriate and effective services tailored to Indigenous community needs.
